Item 7.01. Regulation FD Disclosure.

Prevail Therapeutics Inc. (“Prevail”) is committed to developing disease-modifying AAV-based gene therapies for patients with devastating neurodegenerative diseases.

As previously disclosed in filings with the Securities and Exchange Commission (the “SEC”), Prevail’s founder and Chief Executive Officer, Asa Abeliovich, M.D., Ph.D., is party to a confidential arbitration with Alector Inc., a biopharmaceutical company employing antibodies for the treatment of neurodegeneration. Alector has alleged that confidential information of Alector was used in connection with work on behalf of Prevail and patents and patent applications filed on behalf of Prevail, and has further alleged that Alector has certain rights to Prevail’s patents and patent applications. Prevail is not a party to this arbitration.

As previously disclosed in its filings with the SEC, Prevail believes that these allegations are without basis or merit. Prevail’s gene therapy programs and underlying patents and patent applications are based on work done by Dr. Abeliovich derived from publicly available information or from work done by Dr. Abeliovich outside of and wholly separate from any matters on which he consulted for Alector, or information he received while consulting for Alector.

Prevail and Dr. Abeliovich also intend to evaluate any and all potential remedies and counterclaims against Alector, to the extent Prevail or Dr. Abeliovich suffer damages resulting from Alector’s actions, claims or demands.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
